Leading Complex Programs

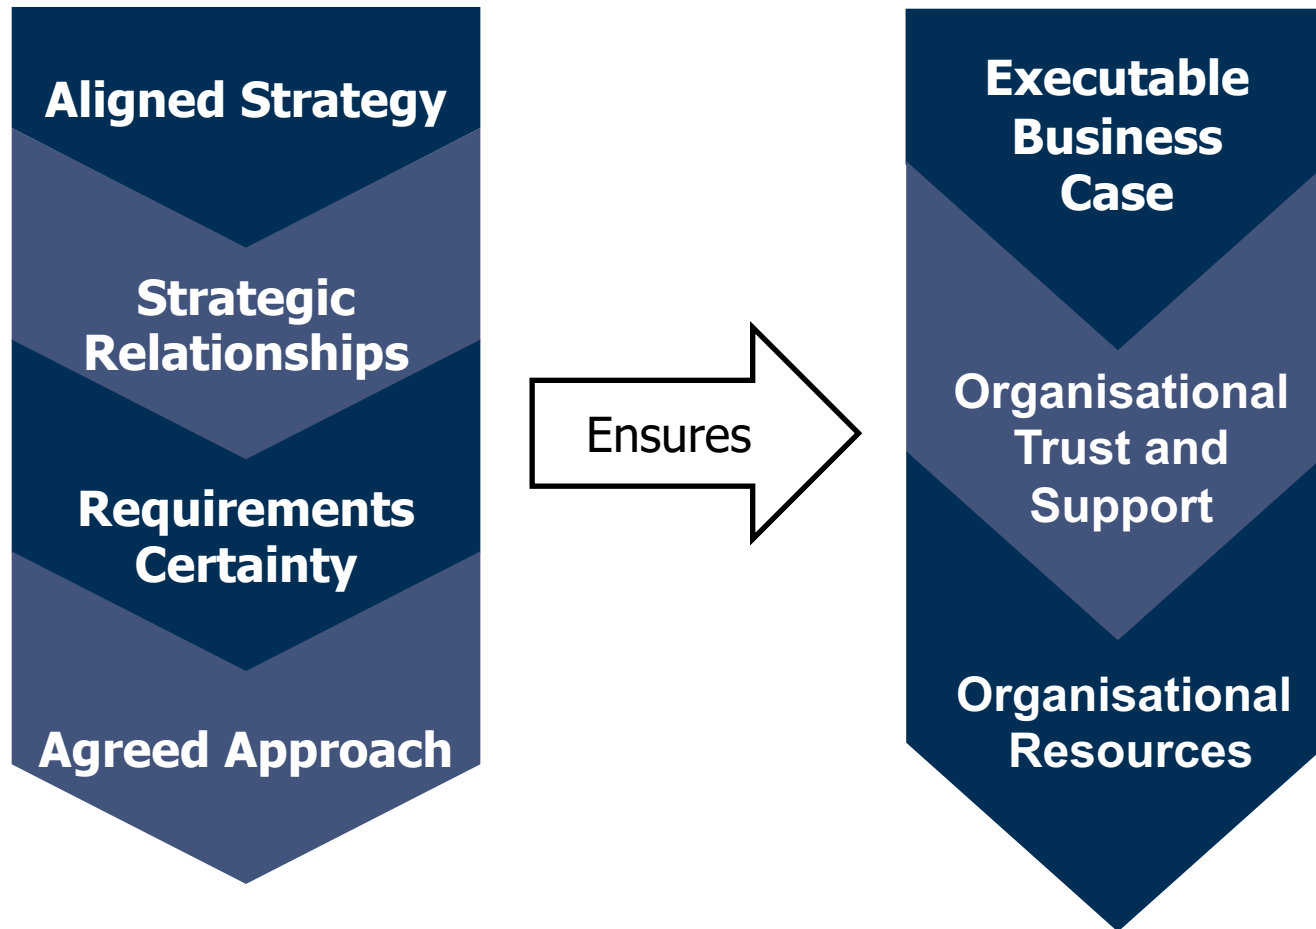

17 September 2019

Chris Deeble
NGA Chief Executive

Complex Programs Reflections

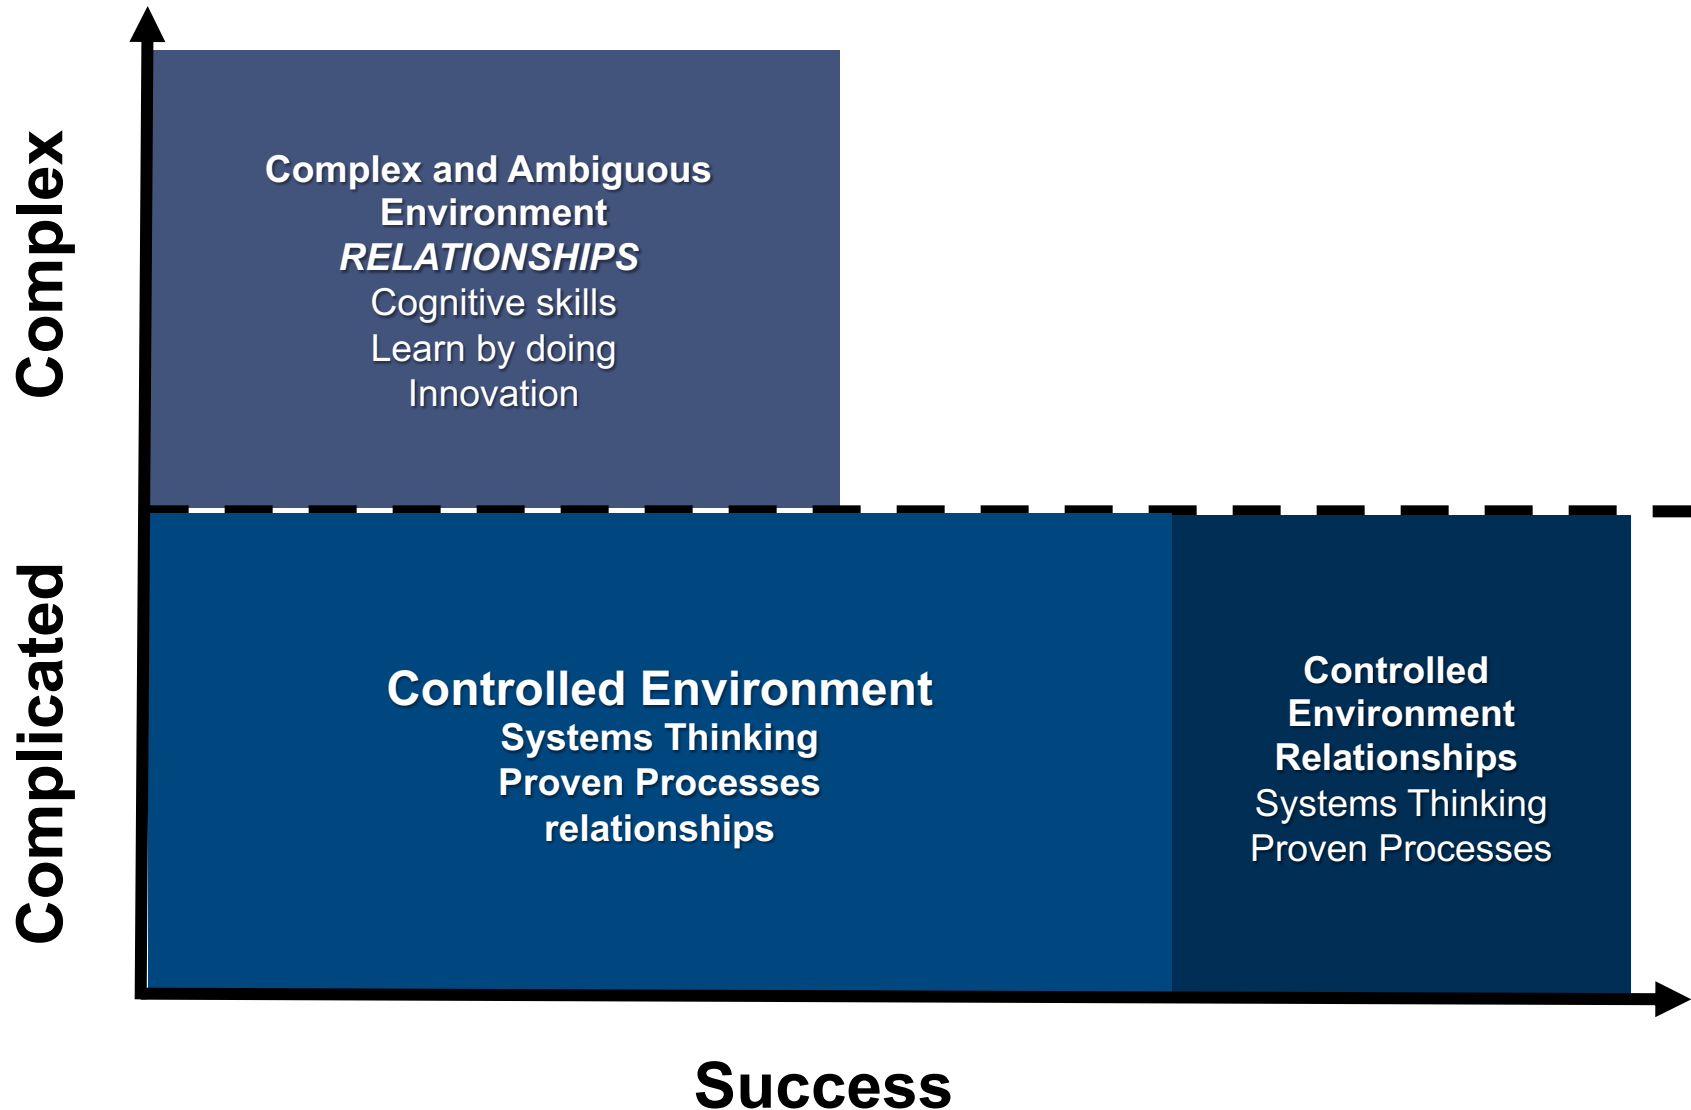

Strategic Success Factors

Collaborative relationships and motivated people underpin success

Complexity and Success Factors

Project Mastery

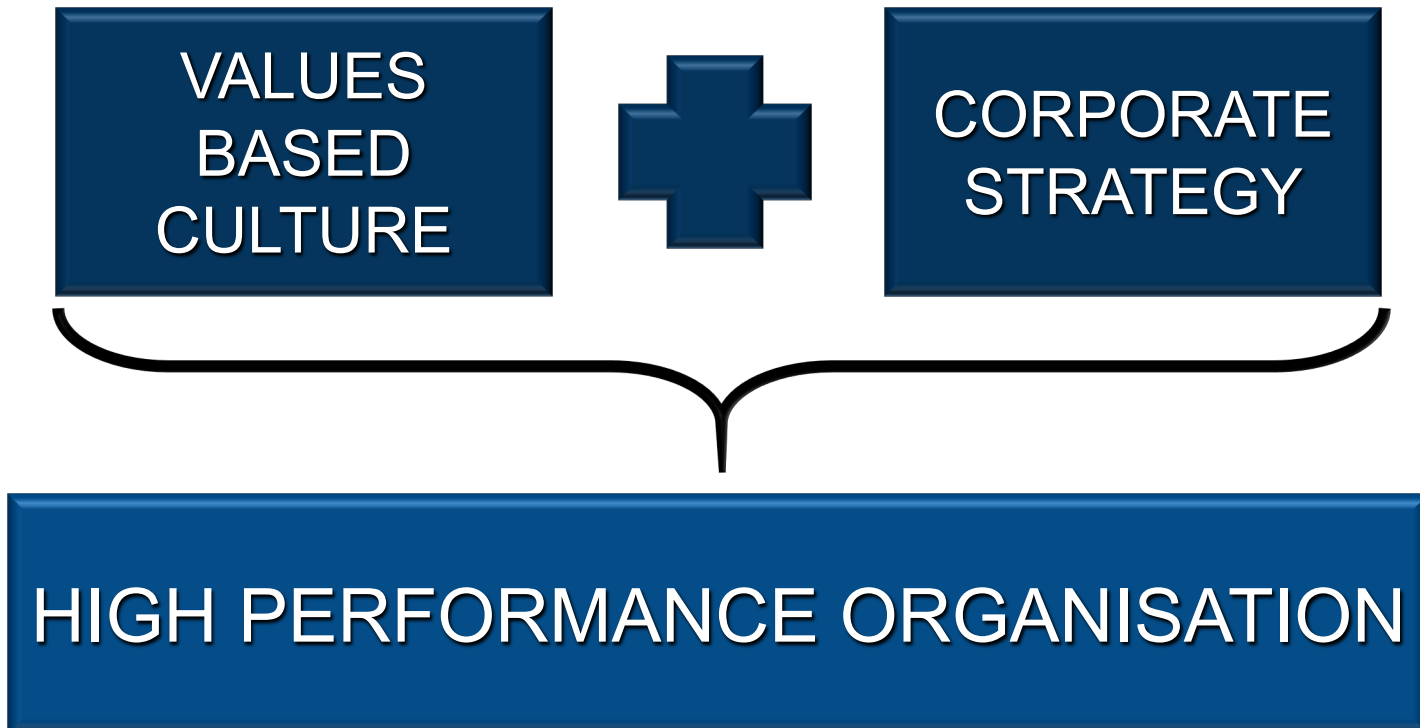

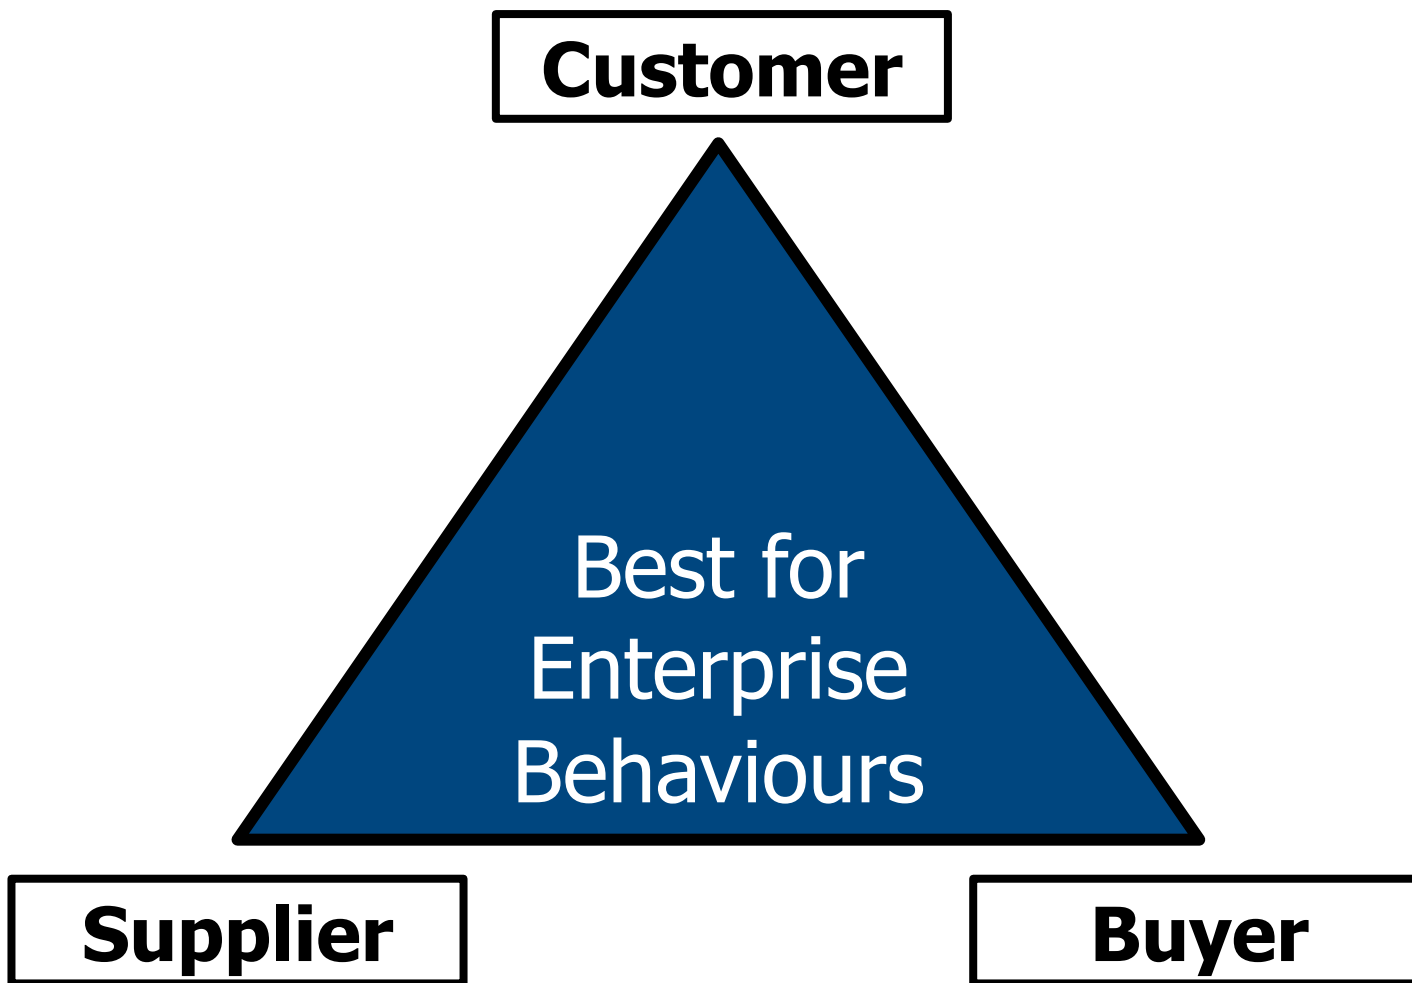

Successful programs are always underpinned by values based leadership

Formula for Success

**“No Tradeoff Between Performance and Values...
...Boeing Leaders Must Demonstrate Both”**

BOEING LEADERSHIP ATTRIBUTE

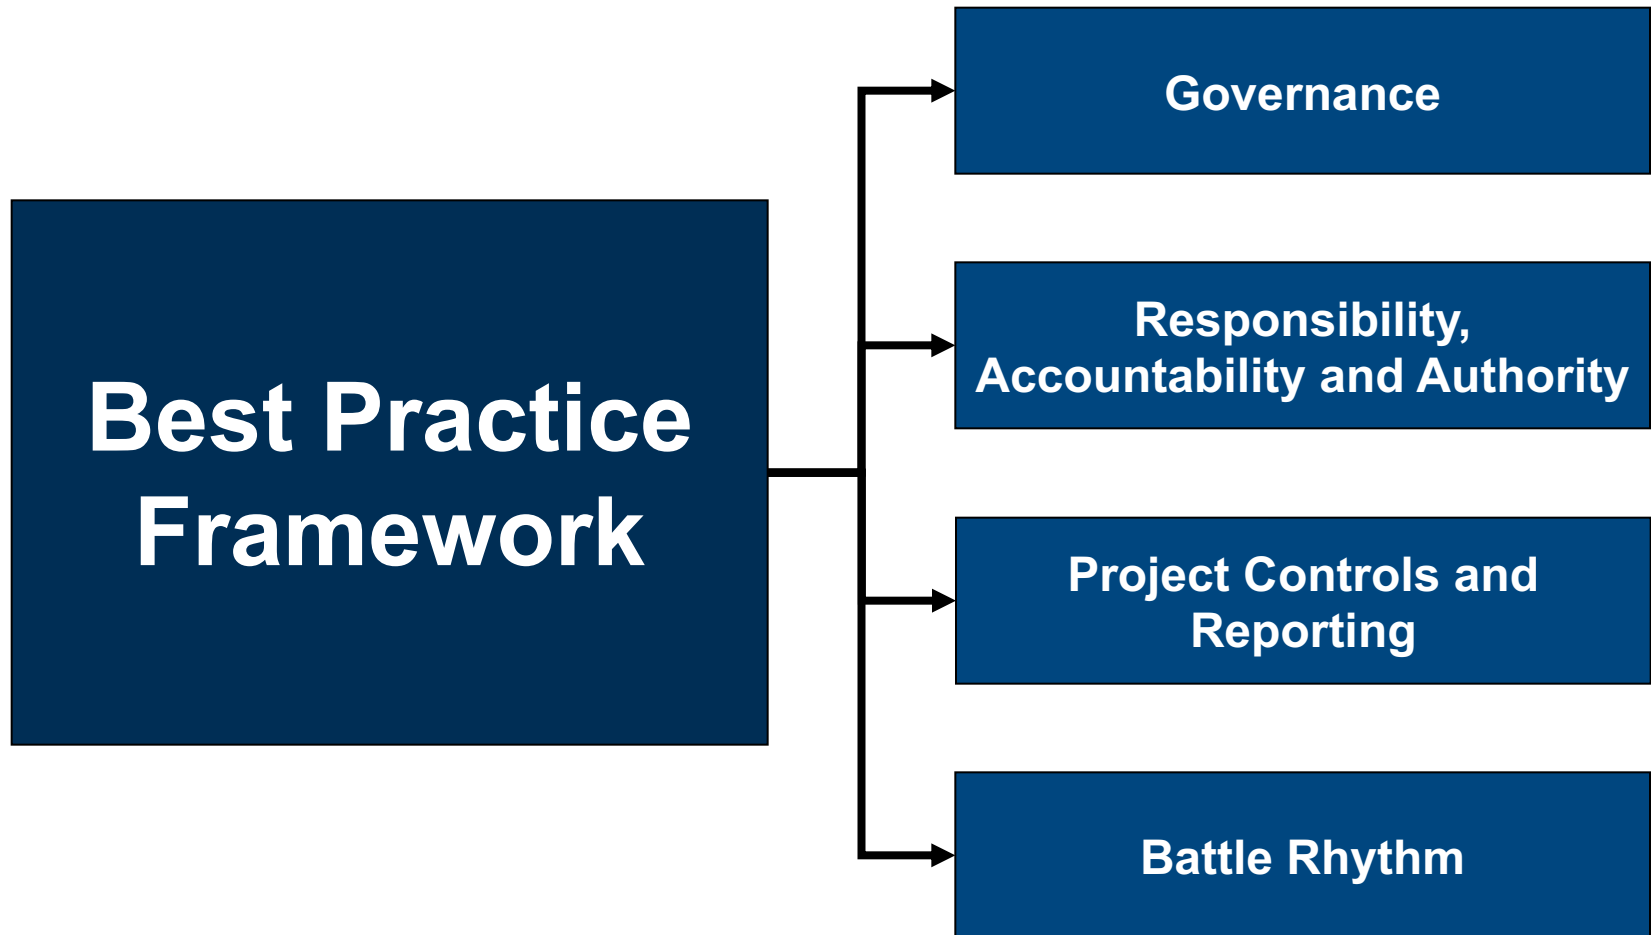

The success of any complex endeavor relies on collaboration and must be underpinned by values based behaviour

Program Management Framework

NORTHROP GRUMMAN

Complexity must be managed through discipline and effective governance

PM Best Practice Framework

NORTHROP GRUMMAN

Thankyou for your attention

THE VALUE OF PERFORMANCE.

NORTHROP GRUMMAN
